

BAY VIEW ASSOCIATION OF THE UNITED METHODIST CHURCH

Dear Bay View Members, Friends, and Supporters:

For 145 years, Bay View has been a steady force in the lives of our members, families, friends and supporters. Over those many years, Bay View often changed in response to the world around it and today remains an essential part of our lives.

This year we find ourselves faced with radical changes and uncertainties resulting from COVID-19. As it has in the past, our resilient Bay View is responding. The summer experience we have been dreaming about all winter will be different in many ways. Some of us will see the differences as heart wrenching. Others will view the differences as an opportunity to explore new types of programming.

Our staff and committees are working diligently to find ways to safely honor our seasonal programs and traditions that so greatly enrich our community and lives.

We ask for your support to ensure our season and beautiful grounds remain essential and relevant this year and into the future. All funds raised through our annual giving program will be used to benefit the areas of greatest need across Bay View. With COVID-19 restrictions, these needs are changing daily. Your gift, regardless of size, will make a difference during these unprecedented times.

Thank you for your gift. We are forever grateful for your support.

Please be safe as you travel to and from our beloved Bay View!

Carol M. Neithercut
President, Board of Trustees

Mike Spencer
Executive Director

OUR MISSION

To be an institution in which Christian values and traditions are central; To enrich the human experience for individuals and families within Bay View and the surrounding community through a seasonal program of religious, educational, cultural and recreational opportunities; To provide a Christian perspective in a changing world.

The Bay View Association is a 501(c)(3) nonprofit organization.

What would we miss if we couldn't get to Bay View this summer? That was the question posed by a friend as we were discussing how this summer would be different. What would we miss? We would miss Monday night hot dog roasts, dominos with three generations of our family, watching our grandkids head off for Club each morning, sailboats and sunsets on the bay, music that fills the soul, preachers that stretch our understanding of God, classes that keep us learning, porch time for reading or spending time with good friends, and all the other wonderful things that make Bay View unique.

Why do we give to Bay View? We give because the four programs of Bay View provide us with many experiences and opportunities that we would not

have anyplace else. Giving back is an important lesson that we learned from our parents and grandparents. We know our financial contribution will help keep Bay View strong for future generations.

- Jim and Jan Amy
